

Module 1: Introduction to ESTEAM

Module 2: Unveiling the power of Art & Design in ESTEAM

Module 3: Exploring the World of Technology & Engineering

Module 4: From Ancient Discoveries to Contemporary Wonders

Module 5: Science and Maths

Module 6: The entrepreneurial spirit in ESTEAM

Module 7: Fashion & Tech Fusion

Module 8: Introduction to Data Science

Module 9: AI and robotics

Module 10: Engineering for Sustainability

Module 11: Engineering for Sustainability(Green Entrepreneurship)

Module 12: Gamification and Learning

Module 13: Space Exploration & Robotics

Module 14: From Farm to Table with Technology
